Dear Bryan:

Good to hear from you. I found out about this unfortunate event this morning and was—and remain—mad at the stupidity of a few individuals. We will fix this!!

Oh my, I am happy with UM this year and cannot wait to take care of OSU. Best, Ali

It seemed the athletic department was reacting to poor male behavior by ostracizing female athletes. I am still not sure I believe the athletic dept's final statement about it all simply being a scheduling issue....but it doesn't matter now.

I hope the football team gains a new understanding of their responsibilities as men through this experience and I am confident your leadership will continue to inspire all of us to be better people and more supportive of all our students.
